

## Call for Teachers for Fiber ArtsFest 2023

Are you an expert in a fiber art? Do you like to share your expertise by explaining and demonstrating *how* to do what you do? If the answer to both of these is “yes,” and you enjoy teaching, we would like you to consider teaching at Fiber ArtsFest in Huntingdon, PA, on September 29 and/or 30, 2023.

### Location/Vendor Fair

Huntingdon is located in central Pennsylvania, 30 miles south of State College and sixty miles west of Harrisburg. A Fiber Market Place will operate all day on Saturday, September 30, at the Huntingdon County Fairgrounds, and we also welcome your participation as a vendor offering fiber arts goods, materials, and finished products.

### Deadline

The deadline for teacher submissions is February 28, 2023.

### Class Options

The Fiber ArtsFest Committee plans to offer half-, one-, and two-day classes in a variety of techniques and proficiency levels on Friday and Saturday, September 29 and/or 30. Classes in any fiber art technique are welcome—quilting, knitting, crocheting, spinning, weaving, wearable art, embroidery, beading, lace making, rug hooking, and related fields. The classes proposed must be the teacher’s own concept, development of a design such as that adapted from historic works, or a variation of one that the teacher has previously taught. We request that the project not be taught in the immediate region of central Pennsylvania for sixty days before or after the Fiber ArtsFest. We encourage you to submit several proposals for each class length for which you would like to be considered so the Fiber ArtsFest Committee has adequate choices.

### Teaching Fee

Our normal teacher pay is \$75 per half day class and \$150 for a full day class. We will consider other arrangements.

### Submission Form

Please fill out the following submission form and email to [johnk@huntingdoncountyarts.com](mailto:johnk@huntingdoncountyarts.com). Submit one form for each class.

If you have questions, please email John Kearns at [johnk@huntingdoncountyarts.com](mailto:johnk@huntingdoncountyarts.com) or call 814-643-6220.

Thanks for your interest.

# Call for Teachers for Fiber ArtsFest 2023

## I WANT TO TEACH!

Thank you for your interest in teaching at Fiber ArtsFest 2023:

We want to hear all about you. Deadline for submissions is February 28, 2023.

We will finalize the class list by March 6 and notify you of acceptance.

First Name:

Last Name:

Address:

City:

State:

Zip:

Telephone:

Email:

Website, blog, Twitter address, etc.

## Tell us about yourself!

Give us a short bio, and please include your previous teaching experience.

(If you have taught at Fiber ArtsFest before, this is optional.)

## What class do you want to teach?

Enter title and description. Indicate if this class should be 1/2 day (3 hours) or all day (6 hours).

Do you want to add a second day?

Please indicate class level:      Basic      Intermediate      Advanced

Basic:            The student has no experience in the technique being taught.

Intermediate:    The student has knowledge of the basic techniques, the materials and their use in a given technique.

Advanced        The student has the ability to execute simple and difficult steps in the technique.

## Other Comments

**Please attach photos with your submission.**
